Lectures (content, delivery, pace)

The content is very clear and brief!

Support Classes (supervisions, tutorials, computer classes)

Dr Nadarajah helped us a lot in tutorials.

Course materials (notes, example sheets, solutions, textbooks)

The example sheet is a little bit hard (for me).

Please comment on the following for this course unit.

Lectures (content, delivery, pace)

I think it's quite good.

Support Classes (supervisions, tutorials, computer classes)

Maybe there can be more time for tutorials to

go through as many questions as possible.

Course materials (notes, example sheets, solutions, textbooks)

The solutions and notes are perfect.
